

CLUB	Giffnock North
Key Area	Athlete Recruitment
Key Details	<p>Giffnock North has a substantial number of children joining the club every month. We have an induction night held on the first Wednesday of every month. This consists of children and their parents coming along to an information night and a mock session. This is so that the children get a feel of what they will be doing during their sessions at Giffnock North and also meet their coach.</p> <p>Over the last 3 months we have had 30-40 children coming along to each of the induction nights. This is a fantastic response however as a club we attempt to draw in some parents during these inductions as well so that we can keep on top of athlete to coach ratio.</p> <p>How do we get so many children you may ask? Well word of mouth is a great tool for clubs. We will attend council events and chat to parents about the club and the opportunities within the club. We will also give out leaflets at sportshall athletics events and sports days.</p> <p>We are a club that crosses from East Renfrewshire Council to Glasgow Council and we have things that are happening in both areas which increases the number of satellite clubs and our junior numbers.</p>
