

Obtaining a Permit to hold and Athletic Event or Meeting in Scotland

1 Scope of Permit

- Event organizers must be current affiliated members of Scottish Athletics Limited (SAL)
- Existing organizers must have fully complied with the permitting process for previous events and be in good standing with SAL and other National Governing Bodies.
- Only events, or components of events, operated under United Kingdom Athletics (UKA) rules are eligible for a permit. Therefore events including multi-sport (pentathlon, quadrathlon, triathlon, duathlon, aquathlon), orienteering, adventure racing, or events with obstacles (excluding hurdles), dogs, foam, dye, or lights as the core feature of the event fall outwith our remit and we cannot permit or insure them.
- It is essential that all event organizers carry out a risk assessment of all their events. To assist with this there are downloadable documents and guidelines to assist you on the SAL website. There may be other hazards that could present a 'risk' to your event that you should identify clearly in your Risk Assessment. It is essential that you keep a copy of your completed Risk Assessment and permit form. scottishathletics does not require a copy of the completed Risk Assessment but reserves the right to request copies of Risk Assessments during the planning of the Event and conduct spot checks on Events.
- As far as possible permits will be issued in order to avoid clashes with other similar events. Attempts will be made to avoid conflict with similar events and SAL championship dates. In such circumstances it may not be possible to grant a permit for the requested date.
- Event organizers must advise all participants that they will share data and information the SAL, including participant names and email addresses.
- A copy of the entry form, including a field for the SAL Membership Number, must be provided.
- Only members of **scottishathletics** may participate in **scottishathletics** organized events or Championships, excepting Track and Field Events.
- Athletes do not have to be members of **scottishathletics** to participate in other **scottishathletics** permitted events, however full members with membership numbers starting with SA (e.g. SA12345) are eligible for a £2 discount at permitted events. jogscotland members with numbers starting with JS are not eligible for this discount. Any queries on membership please contact Carol Robison at membership@scottishathletics.org.uk
- All athletes who are not members of **scottishathletics** must pay a levy of £2.00 to enter and participate in each permitted event; Levy payments must be made to **scottishathletics** within 28 days of the event, to be submitted with the SAL Permitted Event return form and full event results, including all DNS and DNF.
- Levies are not required to be collected for events with an entry fee of £2.00 or less.
- In certain circumstances, Permits are not required. Please see Guidance note 7.
