

Caithness AC Club Together Officer

Fixed-term - 6 months (potential for extension)

Salary - £3,582 (15 hours per week)

An exciting opportunity has arisen within Caithness AAC. Working in partnership with **scottishathletics**, Highland Council and **sportscotland**, Caithness AAC are seeking to recruit a Club Together Officer.

Club Together is a fundamental project within Scotland's National Club Development programme for athletics, placing a key focus on supporting the development of athletics clubs across the country.

Caithness Amateur Athletic Club (CAAC) has been in existence for over 55 years and has provided local athletes with the opportunity to take part in athletics at local, regional and national levels. CAAC's aim is to introduce and develop the knowledge and skills that will enable athletes to improve their performance and realise their own potential in the sport. The Club has built a reputation in the local community for being enthusiastic, inclusive and fun and we are proud to be able to provide a comprehensive and diverse programme of athletics. We welcome both athletes who want to compete and those who want to take part for fun and fitness.

The role will have a significant impact on the continued growth and development of the club and the twin aspects of increasing participation and improving performance which sit at the heart of everything we do.

This part time post (15 hours per week) is funded through the partnership between Caithness AAC, **scottishathletics**, Highland Council and **sportscotland**. Club Together is exactly that – clubs, **scottishathletics** and the Local Authority coming together to deliver a great programme for athletics in local communities across Scotland.
