

STOP THE SPREAD

WASH YOUR HANDS FREQUENTLY

Regularly and thoroughly clean your hands with an alcohol-based hand rub or wash them with soap and water.

MAINTAIN PHYSICAL DISTANCING

Maintain at least 2 meters (6 feet) distance between yourself and others when not on the "field of play"

AVOID TOUCHING EYES, NOSE AND MOUTH

Hands touch many surfaces and can pick up viruses. Once contaminated, hands can transfer the virus to your eyes, nose or mouth.

IF YOU HAVE ANY SYMPTOMS

Stay home if you feel unwell.
If you do seek medical attention
