Athlete – Sport Selection Policy and Standards

The information in this Selection Policy is accurate as at 30 November 2020 but remains subject to change. As a result of the unique and extenuating circumstances caused by COVID-19 and the subsequent impact on international sporting calendars, CGS and 'SGB' will be closely monitoring this Selection Policy to determine if any changes are necessary.

For the avoidance of doubt, CGS reserves the right to amend this Selection Policy in any manner, and in the sole and absolute discretion of CGS, should CGS consider that qualification process would be fairer having regard to the interests of all Athletes and the prevailing circumstances.

*In addition CGS and **scottishathletics** reserve the right to not apply any aspect of this Selection Policy when making any decision, if in the sole and absolute discretion of CGS, it would, as judged by CGS, be unfair or unreasonable not to, provided always that CGS has regard to the interests of all Athletes in the prevailing circumstances.*

1. Introduction

- 1.1. This selection policy has been agreed by the Boards of Scottish Athletics Limited (**scottishathletics**) and Commonwealth Games Scotland (CGS). It provides detail on the process by which **scottishathletics** will arrive at athlete nominations. These will be submitted to CGS for consideration and for final selection to Team Scotland for Birmingham 2022.
- 1.2. Achievement by an athlete of individual selection standards, detailed in this document, is therefore the first step by which nomination can be considered. The final decision in selection to the 2022 Games lies with CGS.
- 1.3. **scottishathletics** will nominate only those athletes that have qualified under both the **scottishathletics** Specific Selection Standards stated below, and the CGS General Selection Policy (available on the [CGS website](#)) that should be read in conjunction with these standards.
- 1.4. Entry numbers per event and the overall number of athletes are in accordance with Commonwealth Games Federation (CGF) allocation. **scottishathletics** has been allocated a maximum of 23 places (including any relay athletes). Should more athletes achieve the standards then **scottishathletics** will prioritise in accordance with the Sport Specific Selection Standards.
- 1.5. **Team Scotland General Selection Policy Aim**
Scotland selects a team that performs with distinction in 2022:
 - ❖ having a higher percentage of athletes meeting the selection standards when in competition at these Games than in 2018
 - ❖ meeting the stated performance aims of each sport at the Games
 - ❖ with all Team members having a positive experience within Team Scotland at the Games.
- 1.6. This **scottishathletics** policy is consistent with the aim.
- 1.7. **scottishathletics general nomination philosophy:**
To select a team that;
 - ❖ Maximises medals at the 2022 Commonwealth Games
 - ❖ Maximises top 6 placings at the 2022 Commonwealth Games
 - ❖ Prepares athletes to deliver world class performances at the 2026 Commonwealth Games and beyond

2.22. Where an athlete attains the selection standard (2.3) in more than one event, prior to the selection meeting, they will be asked to confirm the event(s) in which they wish to be considered for nomination. 2.25. Final selection to the Games team is dependent on the provision of relevant information required by CGS such as completion and signing of the CGF Eligibility form and CGS Team Member Agreement.

3. Other Factors for Consideration

3.1. All nominated athletes must have completed the required anti-doping education.

Performance Considerations

3.2. Performances must be achieved during competitions organised or authorised by World Athletics, its Area Associations or its National Member Federations. Thus, results achieved at university or school competitions must be certified by the National Federation of the country in which the competition was organised.

3.3. UK domestic competition performances will only be recognised if they are achieved in a UKA Level 2 licensed competition or higher (see www.uka.org.uk/competitions/fixtures/ for details on the UKA competition permits).

3.4. Marathon qualification performances must be achieved on World Athletics accredited courses (as listed on the World Athletics website).

3.5. Performances achieved in the same individual event (i.e. Long Jump) in a single day where that event is not part of an official Championship of UK national level or higher will only count as follows:

- In track events, only the fastest legal result of the day;
- In throwing events, only the best performance of the first competition of the day;
- In horizontal jumps, only the best performance of the first competition of the day, unless every mark achieved by the athlete was wind-assisted in which case the best trial in a second competition held under non-wind-assisted conditions will count.

- 3.6. World Athletics Rule 147 will apply to performances achieved in mixed gender events.
- 3.7. In the throwing events, no performance will be considered if it is achieved in a mixed age group competition where lighter weight implements are in the same pool.
- 3.8. Wind-assisted performances (or performances achieved at events where wind measurement was not available) for events held completely in a stadium will not be accepted. (see World Athletics rules 260.14(c), 260.17 (b) and 260.18).
- 3.9. Hand-timed performances in 100m, 200m, 400m, 110/100m hurdles, 400m hurdles and 4x100m relay will not be accepted.
- 3.10. A fully approved automatic timing device must be used in all track events up to and including 400m.
- 3.11. In endurance events of 800m and longer, where automatic timing has been compromised, hand times may be considered. In these exceptional circumstances the performance must have been timed by three timekeepers each of whom should be Level 4.
- 3.12. 100m, 200m, 400m, 110m/100m hurdles, 400m hurdles performances at altitudes of above 950m will not be accepted.
- 3.13. For combined events the conditions set in World Athletics rule 149.3 (or any revised or amended rule relating to wind readings in combined events in force at the time) will be applied for qualification purposes. This requires that at least one of these conditions be met:
 - The wind velocity in any individual event shall not exceed plus 4 metres per second;
 - The average wind velocity (based on the algebraic sum of the wind velocities, as measured for each individual event, divided by the number of such events) shall not exceed plus 2 m/s.
- 3.14. Indoor performances will be considered for all appropriate field events and for individual track events with a distance of 400m and above.
- 3.15. Indoor performances must be set on a standard 200m indoor track.

4. De-selection

- 4.1. **Anti-doping:** athletes suspended by their governing body as a result of ongoing or concluded anti-doping violation allegations, will not be considered for selection, and if previously selected, will be deselected from Team Scotland 2022.
- 4.2. **Form and Fitness (0)/Injury Management:** Where form and fitness (timelines outlined in 2.17 & 2.19) or injury issues are identified at or after selection, a fitness test may be used to determine that the athlete is capable of performing to the level that they were selected for the Games. The format will be determined by CGS after discussion with the Athletics Team Management. This will be specific to athletics and the athlete's condition and may include input from CGS medical staff. Any selection or de-selection decision, following such a test, will be made by CGS after discussion with the Athletics Team Management and will be final.
- 4.3. Athletes in breach of CGS or **scottish**athletics policies, code of conduct and team agreement may be de- selected.

5. Appeal Process

- 5.1. An appeal against non-nomination to CGS by **scottishathletics** is entirely a matter for the athlete and **scottishathletics**. This should be held in accordance with **scottishathletics** own appeal procedures but taking into consideration only those matters required by the CGS selection policy and this selection policy and standards (which contains **scottishathletics** agreed sport specific selection standards and conditions).
- 5.2. The **scottishathletics** Head of Performance will telephone and email all nominated athletes after the Selection/ Nomination meeting. The Head of Performance will also contact by telephone, in confidence, those athletes whom they consider were very close to nomination but not successful – this is as a courtesy to these athletes. Athletes who have not been nominated by the **scottishathletics** selection panel may appeal against their non-nomination. This must be a written appeal (by email) and be submitted to and received by the **scottishathletics** Chief Executive Officer (CEO) by the relevant time and date as outlined below. Appeals will be heard by the **scottishathletics** Appeals Panel. Any appeal received after the time and date stated below shall be marked as out of time and not considered any further.
 - Phase 2 nominations (Marathon only) 1200 hours (midday) on 5th March 2022
 - Phase 3 nominations 1200 hours (midday) on 20th June 2022
- 5.3. The Notice of Appeal shall contain full details of the name, address and date of birth of the athlete and must outline in full the grounds upon which the appeal is being made. Only grounds of appeal outlined in the Notice of Appeal can be advanced in an appeal unless leave is sought and granted demonstrating why a ground of appeal was not advanced within the Notice of Appeal and a full explanation satisfactory to the Appeals Panel is made out.
- 5.4. The sole grounds of appeal against the decision of the selection panel (2.12) will be that:
 - i. there has been a failure to follow and apply the content of this specific Selection Policy; or
 - ii. that the selection panel (2.12) reached a decision on the basis of an error of fact.
- 5.5. The right to appeal a selection decision is permitted on these limited grounds only and must not be seen as an opportunity to dispute the opinion of the selection panel (2.12) where they have followed the proper procedure and selection standards outlined in this policy. In reaching their decision the selection panel (2.12) are acting as experts and the athletes agree that in so doing the panel exercises judgment and discretion which are not in themselves capable of challenge.
- 5.6. There are no appeals allowed against the content of the published Selection Policy and therefore against the actions of the selection panel (2.12), provided they follow the selection criteria published (together hereinafter referred to as the “Grounds of Appeal”).
- 5.7. The above information within the **scottishathletics** Selection Policy means that there must be due cause before an appeal can be made.
- 5.8. The Appeals Panel will be made up of three representatives from **scottishathletics** who were not involved in the initial selection process: CEO; Board member and a member of **scottishathletics** with no conflict of interest. This panel will meet by the dates stated below to consider any appeals.
 - Phase 2 nominations (Marathon only), by 8th March 2022
 - Phase 3 nominations, by 21st June 2022
- 5.9. Should the **scottishathletics** Appeals Panel uphold any athlete appeal(s) they will refer the matter to the selection panel for reconsideration in the light of the appeal panel findings. It is expected that the Selection panel may, in the case of a cap/limit to Team numbers, need to consider afresh the selection/nomination of other athletes as a result of any appeals being referred to them.

- 5.10. Where an appeal is not upheld, this decision will be communicated back to the athlete within 24 hours.
- 5.11. scottishathletics** will also have the opportunity to appeal to CGS if athletes that have been nominated by **scottishathletics** are not selected. All CGS appeal decisions will be made ahead of final announcement of the team. Individuals do not have the right to appeal directly to CGS nor do they have the right to require **scottishathletics** to appeal to CGS. The decision as to whether to appeal or not is at the sole and unfettered discretion of **scottishathletics**.
- 5.12. An appeal against CGS non-selection on behalf of an athlete may only be submitted by **scottishathletics** and not by any individual athlete. If an appeal is submitted to CGS by **scottishathletics**, a CGS Appeal Panel will consider the case along with any additional information provided. The appeal must be made by email on 27th June 2022, to enable CGS to meet the Birmingham 2022 Sport Entry deadline of 29th June 2022.

All selected athletes will be expected to demonstrate, to the satisfaction of the selection panel (3.8) current form and fitness (3.13) between the 15th April - 15th June 2022 which suggests that they are capable of producing a performance at the Games which is equal to or above the relevant selection standard.

- ❖ The relevant Medical/ Support Staff

3.14. Athletes who, at the sole discretion of the **scottishathletics** selection panel (3.8), represent a very strong medal prospect however, due to exceptional circumstances, have been unable to perform to their best within the qualification period, may be considered for nomination subject to proving form and fitness (3.13) to the satisfaction of this panel prior to the end of the qualification period (3.1).

3.15. Timeline of CGF qualification:

31 st December 2020	Para Athletics Qualification period commences
31 st December 2021	Para Athletics Qualification period closes

24 th January 2022	CGA deadline to confirm acceptance of qualified places 2022

3.16. Final selection to the Games team is dependent on provision of relevant information required by CGS such as completion and signing of the CGF Eligibility form and CGS Team Member Agreement.

3.17. All nominated athletes must have completed all required anti-doping education.

4. Deselection

4.1. **Anti-doping:** athletes suspended by their governing body as a result of ongoing or concluded anti-doping violation allegations, will not be considered for selection, and if previously selected, will be deselected from Team Scotland 2022.

4.2. **Form and Fitness (3.13)/ Injury Management:** Where form and fitness (timeline outlined in 2.17) or injury issues are identified at or after selection, a fitness test may be used to determine that the athlete is capable of performing to the level that they were selected for the Games. The format will be determined by CGS after discussion with the Athletics Team Management. This will be specific to athletics and the athlete's condition and may include input from CGS medical staff. Any selection or de-selection decision, following such a test, will be made by CGS after discussion with the Athletics Team Management and will be final.

4.3. Athletes in breach of CGS or **scottishathletics** policies, code of conduct and team agreement may be de-selected.

5. Appeal Process

5.1. An appeal against non-nomination to CGS by **scottishathletics** is entirely a matter for the athlete and **scottishathletics**. This should be held in accordance with **scottishathletics** own appeal procedures but taking into consideration only those matters required by the CGS selection policy and this selection policy and standards (which contains **scottishathletics** agreed sport specific selection standards and conditions).

5.2. The **scottishathletics** Head of Performance will telephone and email all nominated athletes after the Selection/Nomination meeting. The Head of Performance will also contact by telephone, in confidence, those athletes whom they consider were very close to nomination but not successful – this is as a courtesy to these athletes. Athletes who have not been nominated by the **scottishathletics** selection committee may appeal against their non-nomination. This must be a written appeal (email) and be submitted to and received by the **scottishathletics** Chief Executive Officer (CEO) by 1200 hours (midday) on 15th January 2022 (or 12th February

2022 for re-allocation slot nominations). This appeal will be heard by the **scottishathletics** Appeals Panel. Any appeal received after this time shall be marked as out of time and not considered any further.

- 5.3. The Notice of Appeal shall contain full details of the name, address and date of birth of the athlete and must outline in full the grounds upon which the appeal is being made. Only grounds of appeal outlined in the Notice of Appeal can be advanced in an appeal unless leave is sought and granted demonstrating why a ground of appeal was not advanced within the Notice of Appeal and a full explanation satisfactory to the Appeals Panel is made out.
- 5.4. The sole grounds of appeal against the decision of the selection panel (3.8) will be that:
 - i. there has been a failure to follow and apply the content of this specific Selection Policy;or
 - ii. that the selection panel (3.8) reached a decision on the basis of an error of fact.
- 5.5. The right to appeal a selection decision is permitted on these limited grounds only and must not be seen as an opportunity to dispute the opinion of the selection panel (3.8) where they have followed the proper procedure and selection standards outlined in this policy. In reaching their decision the selection panel (3.8) are acting as experts and the athletes agree that in so doing the panel exercises judgment and discretion which are not in themselves capable of challenge.
- 5.6. There are no appeals allowed against the content of the published Selection Policy and therefore against the actions of the selection panel (3.8), provided they follow the selection criteria published. (together hereinafter referred to as the “Grounds of Appeal”).
- 5.7. The above information within the **scottishathletics** Selection Policy means that there must be due cause before an appeal can be made.
- 5.8. The Appeals Panel will be made up of three representatives from **scottishathletics** who were not involved in the initial selection process: CEO; Board member and a member of **scottishathletics** with no conflict of interest. This panel will meet by 18th January 2022 (15th February 2022 for reallocation slot nominations) to consider any appeals.
- 5.9. Should the **scottishathletics** Appeals Panel uphold any athlete appeal(s) they will typically refer the matter to the selection committee for reconsideration in the light of the appeal panel findings. It is expected that the Selection Committee may, in the case of a cap/limit to Team numbers, need to consider afresh the selection/nomination of other athletes as a result of any appeals being referred to them.
- 5.10. Where an appeal is not upheld, this decision will be communicated back to the athlete within 24 hours.
- 5.11. **scottishathletics** will also have the opportunity to appeal to CGS if athletes that have been nominated by **scottishathletics** are not selected. All CGS appeal decisions will be made ahead of final announcement of the team. Individuals do not have the right to appeal directly to CGS nor do they have the right to require **scottishathletics** to appeal to CGS. The decision as to whether to appeal or not is at the sole and unfettered discretion of **scottishathletics**.
- 5.12. An appeal against CGS non-selection on behalf of an athlete may only be submitted by **scottishathletics** and not by any individual athlete. If an appeal is submitted to CGS by **scottishathletics**, a CGS Appeal Panel will consider the case along with any additional information provided. The appeal must be made via email by 21st January 2022 (18th February 2022), to enable CGS to meet the deadline to confirm acceptance of qualified places.
- 5.13. Appeal dates for any para athlete involved in the re-allocation slot process are detailed in brackets above.

6.1 After having established eligibility status under this Byelaw 17 a competitor who has previously represented one Commonwealth Country at a Commonwealth Games may not represent another Commonwealth Country unless they also receive the prior approval of the Federation, the relevant IF and the relevant previously represented Affiliated CGA. For the avoidance of doubt, this Byelaw shall not apply if an individual has represented a Commonwealth Country at a Commonwealth Youth Games.
