Athletics Athlete Selection Policy

Introduction

1. This selection policy has been agreed by Scottish Athletics Ltd (**scottishathletics**) and Commonwealth Games Scotland (CGS). It provides detail on the process by which **scottishathletics** will arrive at its nominations for selection of athletes within the Scottish Team for Trinidad & Tobago 2023 which will be submitted to CGS for consideration.
2. In all cases, selection by **scottishathletics** represents a nomination to CGS for ratification. The final decision in selection to the 2023 Youth Games lies with CGS. Achievement of the selection criteria therefore represents **eligibility for nomination**, not selection or even nomination.
3. **scottishathletics** will nominate only those athletes that have qualified under the selection criteria stated in this policy.

Selection Policy Aim

4. To select a team of athletes capable of competing with distinction for Scotland at the 2023 Commonwealth Youth Games and who have the potential to win medals for Scotland at future Commonwealth Games.

Other Factors for Consideration

11. Any athlete achieving one eligible standard from the above table within the qualifying period will be considered for nomination.
12. Indoor competitions will be accepted for qualifying performances.
13. If more than 7 athletes achieve a qualifying performance within the qualification window, **athletes will be prioritised (in order) based on their current Commonwealth youth ranking at the time of the nomination meeting.** The top 7 (max 2 per event) on this list will then be nominated for selection to CGS.
14. Performances will only be accepted if they are achieved within an official competition organised as follows:
 - Field events must have at least three qualified level 2 and above officials present and the Referee must be at least level 3.
 - Performances at Level 2 Licenced events will be prioritised above those achieved at a Level 1 Licensed event.
 - A fully approved automatic timing device must be used in all track events up to and including 400m.
 - In endurance events of 800m and longer, where automatic timing is not used, the performance must have been timed by three timekeepers each of whom should be level 4.
 - In the sprints, sprint hurdles, and long jump performances where wind conditions are greater than +2.0m/s will not be considered. The wind gauge must be sited in accordance with World Athletics (WA) rules and a graded official must also be present to ratify wind speeds.
 - In the throwing events no performance will be considered if it is achieved in a mixed age group competition where lighter weight implements are in the same pool.
 - Performances achieved in mixed gender track events will not count towards qualification times for major competitions and championships as per rule C35 S1 (31) (UKA supplement).

- The onus of providing evidence of the achievement of a performance rest with the athlete/coach.

Selection process

15. All nominated athletes must have completed relevant Clean Sport education.
16. **scottishathletics** will communicate the nominations to eligible athletes and send their final nominations, in priority order, to CGS by no later than 13 June 2023.
17. CGS will confirm the final team selections by 15 June 2023.
18. Final selection to the Games team is dependent on receipt of relevant information required by CGS such as the Team Member Agreement.

Appeals Process

19. There shall be no right of appeal to the nomination of the athletics team made by the **scottishathletics** panel.
20. An appeal against CGS non-selection on behalf of an athlete may only be submitted by **scottishathletics** and not by any individual athlete. If an appeal is submitted to CGS by **scottishathletics**, a CGS Appeal Panel will consider the case along with any additional information provided. The appeal must be made in writing within 24 hours of selection outcomes being confirmed to **scottishathletics** by CGS.

De-selection

21. Athletes may be deemed ineligible for selection or deselected for the following reasons:
 - **Anti-doping:** Athletes suspended by UK Athletics because of an ongoing or concluded anti-doping violation allegations will not be considered for selection, and if previously selected, will be de-selected from Youth Team Scotland.
 - **Form and Fitness - Injury Management:** Where form and fitness issues are identified at or after selection, a fitness test may be used to determine that the athlete can perform to the level that they were selected for the Youth Games. The format will be determined by CGS after discussion with the Athletics Team Management. This will be specific to athletics and the athlete's condition and may include input from CGS medical staff. Any selection or de-selection decision, following such a test, will be final.
 - **CGS Policies:** Athletes in breach of CGS policies, code of conduct and Youth Team Agreement may be de-selected.

Appointment of Team Staff

22. One initial sport specific member of staff will be appointed by CGS in consultation with **scottishathletics** by the end February 2023. The final complement of the athletics Team staff attending the Games will ultimately depend upon team composition and will be determined by CGS in consultation with **scottishathletics**.
