Selection Policy Overview

It is important to note that only athletes who will benefit from the standard of competition at a particular event will be selected and that the selection committee has discretion to leave places empty if necessary. Although this type of decision can be disappointing for athletes, there are a number of factors that will affect the standard of team that may be sent to particular events, and all of these will be taken into account. These may include the age of an athlete, the wishes of race promoters, the demands of the event (distance, conditions, and course profile) and funding. The selected teams for the events in the programme will be funded by the **scottishathletics** Road Running and Cross Country budget.

For this programme to be successful and to ensure progress towards our aim of fielding Scottish athletes in GB Teams, our top endurance athletes and their coaches are encouraged to participate in this programme and plan their season accordingly.

Please keep Angela Mudge (angela.mudge@scottishathletics.org.uk) and / or members of the selection committee fully informed of athletes' racing programmes, results, training progress, injuries, illness, and availability for selection for those races on the programme.

This type of information and two-way communication is extremely valuable in assisting the selectors to pick the best possible teams.

Selection Committee & Procedure

The selectors for 2024-2025 are:

*Mike Johnston (Chair), Angela Mudge (**scottishathletics**), John Mackay, Sandra Hardacre, Neil Renton, and Anne Marie Hughes.*

The process of each selection is as follows:

- The selectors will call a zoom meeting where the team will be selected. This will be on the designated selection date.
- Athletes will then be formally notified by email as soon as possible following the selections. A telephone call may also be made to speed up this process and allow travel confirmations to be made.
- A formal team announcement will then follow from the **scottishathletics** office, normally in the form of a press release and message on the website.
- It is requested that any questions related to selection are addressed through the Chair by contacting the **scottishathletics** office.
- A condition of selection will be the requirement of athletes (or their parent/guardian/coach) to let the **scottishathletics** office know of their acceptance of selection – this must be within three days of receipt of the selection email or telephone call.
- Athletes will be contacted by selectors to agree their training and racing program up to the international and asked not to communicate selection in any way (e.g., on social media) prior to the formal team announcement.

International Programme Notes

Selectors have the discretion not to allocate all the places shown if it is considered that the event is not appropriate for the standard of athlete available.

It is essential that coaches and/or their athletes keep the selectors informed of their race programme and their desire to be considered for selection. This is best done by e-mail or telephone to the National Endurance Manager (Off Track Pathway) Angela Mudge (07739506786, angela.mudge@scottishathletics.org.uk).

For GB team selection matters, see here: [2025 Selection Policies | UK Athletics](#)

Please read these notes in conjunction with the background text and details of Selection Committee and Procedures.

Eligibility

Athletes will only be selected for National teams if they have completed the relevant eligibility process in advance of selection dates. The process for confirming eligibility can be found on the scottishathletics website:

<https://www.scottishathletics.org.uk/athletes/selection-policies-international-handbooks/scottish-eligibility/>

Anti-Doping

It is strongly recommended that all selected athletes undertake the '100% Me' UK Anti-Doping eLearning course.

To access the courses, you need to register on the UK Anti-Doping Clean Sport Hub. Your registration details will determine which course is appropriate. Athletes should select the 100% Me course. This course is currently free and can be accessed at Welcome to eNetLearn - eNetLearn (<https://ukad.enetlearn.com/Login/?c=82>).

There is a recommended requirement to complete this course every two years.

For record purposes, a copy of the course completion certificate is required to be sent to:
